

**SUMMARY OF STUDENT EVALUATION SCORES**  
 Benjamin Bayer  
 Loyola University New Orleans, Fall 2010-Spring 2016

*Scores are in response to prompt,  
 "I would recommend this instructor to other students."  
 (Raw data available upon request or at <http://goo.gl/1VrO9i> )*

5=Strongly agree; 4=Agree; 3=Neutral; 2=Disagree; 1=Strongly disagree

\*In the Fall of 2014, Loyola adopted a new online survey system that compelled students to fill out surveys before they could access Blackboard at the end of the semester. In subsequent semesters, it stopped being a requirement and the number of responses dropped.
